Hi Mike and Will,

I am hoping we can squeeze this meeting in to your schedules for tomorrow. I couldn't find a conference room, so I am hoping Marion's office will work.

There was a House Ag call with Mike G. on Monday concerning the new aldicarb uses on oranges and grapefruit. Marion and I would like to touch base on the dietary exposure (Food + water) with the new uses (i.e., how do the new uses may affect the DWLOC).

Ex. 5 Deliberative Process (DP)

Thank you.
Debra
